Alexander, Linda	Herrington Lake Conservation League	<p>Summer boating season is here and everyone is having a great time on Herrington Lake! The Herrington Lake Conservation League is finalizing the plans for the greatest HLCL Pig Roast ever!</p> <p>The Herrington Lake Conservation League Pig Roast is August 7 at Chimney Rock Marina 4:00-11:00 PM. Pulled Pork, chips, and soft drink will be \$7.00. The rolls have been donated by Donut Days in Lexington and the pulled pork by Sunset Marina. Tom Brown is doing the pulled pork. Tom won the overall prize at the Harrodsburg Beef Festival this year winning first place in three out of the four categories. His pulled pork is the greatest! We will also have hotdogs, chips, and drink for \$5.00.</p> <p>Music will be provided by three local music groups: Aly'an, John Montgomery-Carmichael, and Dalton, Luke, Travis & Mack (who are looking for suggestions for a new name!)</p> <p>There will be a silent auction with something for everyone: a subscription to the Central Record, to 3 hours in a recording studio, local arts and crafts, a .75 carat diamond ring, an eye exam and a nice man's watch. If you have something you would like to donate please call 548-2257!</p> <p>So come on down with your lawn chairs and cooler and help support the Herrington Lake Conservation League in its efforts to maintain the beauty of Herrington Lake.</p> <p>Also get ready for the Golf Outing at the Peninsula Golf Resort on September 22. Play is in two flights so we don't care whether you are a really good golfer or one who just enjoys time on the links!</p> <p>To sponsor a hole or to sign up to play, please call Linda at 548-2257!</p>

Hatfield, Wendell	Garrard County Emergency Management	<p>Garrard County Emergency Management has been very busy over the last six months with winter storms, flooding and severe thunderstorms. \$324,438.08 has been reimbursed from FEMA pertaining to the January 2009 Ice Storm (DR 1818) to city government, county government, fire taxing districts and other non-profit agencies in Garrard County. Reimbursements started rolling in around June 2009, which is an astronomical feat for a small rural county with a part-time/volunteer EM agency. Currently, documents and forms are being forwarded to FEMA regarding the May 2010 Flooding (DR1841). Again, the Garrard Emergency Management hit the ground running and had FEMA representatives in Garrard County days after the flooding disaster. As of June 25 there were 80 Individual Assistance registrations and \$126,601.22 in assistance to Garrard County citizens.</p> <p>September is National Disaster Preparedness Month and the Garrard County EMA will be planning several events to promote this special event. Please have a plan and be prepared. The Garrard County Emergency Management Agency is a part-time/volunteer agency with a part-time Director, three part-time deputies and two volunteer deputies. Below is some tidbits concerning Garrard EMA and the last two years:</p> <p>Assisted in coordination of Garrard County's worst disaster in history with over 400 volunteer hours. Assisted in coordination of Garrard County's worst flooding in over 50 years with over 100 volunteer hours. Participated in five (05) Search & Rescue missions with victims being found on an average in 90 minutes. KEEPING GARRARD COUNTY SAFE AND PREPARED.</p>

Messenger, Deborah	Paint Lick Sportsman's Club	<p>As the Paint Lick Sportsman's Club Community Center (PLSC CC) looks towards the future with the hope to develop a greenspace and a resource for the community; we are exploring all options open to us in the deconstruction of the PLSC CC building. Although dedicated in spirit, our small membership lacks the physical strength to assist with the manual labor required to deconstruct and salvage materials from the building. Thanks to the Flood Debris Management Grant, the PLSC CC has the opportunity to dispose of its flood damaged building materials free of charge. However, there's a deadline of August 31 for these grant monies, and the monies only cover the cost of the disposal, not the in-kind manual labor nor equipment to hoist the materials into the roll-offs. With the deadline looming in the near future, we need in-kind workers who can assist us with the job at-hand - the deconstruction, materials salvage and disposal of the flood-damage debris.</p> <p>PLSC CC has contacted both Lexington's Habitat for Humanity and Bluegrass Regional Recycling Corporation, both members of BMRA (Building Materials Reuse Association) to determine their availability and willingness to work with us in the salvage and deconstruction of the building. But, we need still need the help of the Garrard County community. If you can help, or know of someone available to assist, please contact me at 859-619-0334.</p> <p>August 28: You Scream, We Scream, PLSC Community Center Gives Out Ice Cream. What's summer without ice cream? Experience the Center's first game night with ice cream. Hot nights and ice cream are made to be enjoyed together. Throw in a little bluegrass music and corn-hole and you've got a neighborhood party! Saturday night, August 28 the PLSC Community Center will host it's first Ice Cream Social from 7 - 8:30 p.m. Community members will be providing ice cream of every flavor with all the toppings along with all the cookies and brownies you can eat. Admission is free so bring your friends and join your neighbors for a night of music, games, and ice cream! Everyone is welcome. Call 859-619-0334 for more information.</p>
